

National Research Council of Italy

## Evaluation Report of the Joint R&D Projects Bilateral Agreement CNR/HCST-NCRD

### Biennial Programme 2018-2019

Considering the general cooperation Memorandum of Understanding signed on 28 January, 2016 and the joint call for the programme R&D projects launched on 4 April, 2017.

Considering the Joint selection meeting held in Rome at the National Research Council on 27 October, 2016, attended by the Secretary General of the Higher Council for Science and Technology (HCST)/ Acting President of the National Center for Research and Development (NCRD), Dr. Khaled Elshuraydeh and the Head Office of International Relations Office, Dr. Virginia Coda Nunziante, both Parties agreed on funding up to 3 projects in the framework of the cooperation program ( for each project 10.000 euros per Party per year for 2 years).

At the deadline foreseen by the call 4 proposals have been submitted to both parties.

After the evaluation performed independently by both Parties the highest evaluated project's score has been taken into account and the Parties agreed on the following final ranking list of the projects to be financially supported:

National Research Council of Italy
